Family physician residency will be moving off Concord Hospital Campus within three years. Possible locations include Main St./downtown or the Heights. We think admin will remain on campus.

FMIG Report: Dartmouth matched six students into Family Medicine this year, at UVM, University of Michigan, Providence Alaska, Sutter Santa Rosa, and OHSU (x2). We held a skills night in February on glucose monitoring and pediatric exam skills.

CME Committee: We are waiting for slides from a few docs so AAFP can review and decide if we will receive credit for their talks.

Would it be possible to allow for time so we can let members know what board has been doing, such as policies etc.? At the annual meeting is not desirable because it is so late by then.

Old Business:

10 State Conference- 14 states were represented. The NY chapter hosted. Shelby King kicked off the weekend recapping what AAFP has been doing on the Hill.

Much discussion surrounded the “prime registry” – who owns the information and what will they do with it?

AAFP has 131,741 members.

Next 10 State is in PA.

It is \$250/year to participate and you apply online.

New Business: Sheila is moving out of state and has resigned from the board.

FP of the Year discussion and nominations.

Nominees are: Patricia Clancy, Cathy Pipas, Jon Vore, John Orzano

Patricia Clancy wins.
