NHPHP	<p>Molly Rossignol presents as the medical director of <u>NH Professionals Health Program</u>. NHPHP provides peer assistance services for NH licensed chiropractors, dentists, dieticians, licensed alcohol and drug counselors, mental health practitioners, midwives, nurse licensees, optometrists, pharmacists, physicians, physician assistants, podiatrists, psychologists and veterinarians who are experiencing difficulties with substance abuse and addiction, psychiatric and/or behavioral health concerns, stress/burnout, work-related conflicts or professionalism concerns that are self-recognized or have come to the attention of an employer or licensing board. NHPHP provides intake assessments, treatment referral, monitoring when indicated, as well as recovery documentation, education, advocacy and support. NHPHP believes that early intervention and treatment offers the best opportunity for a successful outcome and for preventing a health issue from becoming a work issue. NHPHP is both free and confidential as required by law or regulation. Information will be posted on our web site.</p>
